

NEW SCHOOL MATCHING FUND APPLICATION

Texas Conference Office of Education

P.O. Box 800

Alvarado, TX 76009

School Name: _____ Date: _____

When a new school with conference employed teachers is opened (schools which have not been in session for at least five years), the superintendent of schools is responsible for providing \$750 of basic learning materials.

1. The funds are to come from the following sources:
 - a. The school and/or supporting churches \$250.
 - b. The local conference \$250.
 - c. The union will appropriate \$250 after the above funds have been provided.
2. The materials are to be chosen from the following priority list:
 - a. Copy equipment.
 - b. Computers
 - c. Projector and supplies
 - d. TVs
3. The request for these funds must be received by the Southwestern Union Office of Education from the superintendent of schools by November 1 of the year the school begins.
4. Should the school close within a three-year period after these materials are purchased, all the materials are to be returned to the Texas Conference Office of Education.
