

Jewel 9.0

We are pleased to inform you that a new update, Version 9.0, is now available for the Jewel software. This new update brings several enhancements and improvements to streamline your financial management process.

To ensure you benefit from the latest features, we encourage you to promptly update your Jewel software to Version 9.0.

Check for updates in Jewel by following these steps.

- Open Jewel.
- On the upper bar, click on "Help."
- Click on "Check for Updates."
- If an update is available, it will ask you if you would like to make the update to the new version. Contact us if you are currently using versions 6 or 7, and we will make the updates for you.
- Click "Yes."
